Our NEW Online Banking Site and Mobile App will be available to you on July 28th!

On July 28th you can go to our website www.bankofherrin.com and click on “Online Banking Login” to access the new Online Banking site.

If you are looking for the new mobile app, simply go to the Google Play Store or App Store, search for “Bank of Herrin” and download it to your device.

NO NEED TO RE-REGISTER! If you already have a login established, simply follow these instructions to get signed in to either online banking or the mobile app:

- Enter your existing Username in the Username field (ex: jdoe)
- For the password, enter that same username plus the last 4 digits of your SSN/EIN (ex: jdoe6789) and click SIGN IN
- Next, you will create a new password and set up your security questions
- Click VERIFY if your email address is correct, and you’re done! It should then take you to your home screen where you see your accounts!

Our new online banking site and mobile app will offer all of the same functionality you have been accustomed to while introducing new features too. We are thrilled to offer our customers the latest in Digital Banking technology!

Things that will stay the same:

- Your username does not have to change
- Transaction history will remain
- Scheduled transfers will remain
- Current bill pay payments will remain
- Mobile Deposit ability
- 365 days of transaction history
- Access to bank statements (through online and mobile)

NEW features that we will be offering:

- External Transfers—transfer to/from your account at the Bank of Herrin to/from your account at another financial institution. This includes paying a loan payment!
- Debit Card Management—turn your debit card on/off if you have lost or misplaced it
- P2P—send money quickly! Make a person to person transfer (this feature is available on approval)
- Direct Connect Access for Quicken AND Quickbooks
